NARRATIVE STATEMENT

Purpose: To modify the existing Bureau County Enhanced 9-1-1 (~~E9-1-1~~) System to incorporate an intergovernmental agreement between the Bureau County Emergency Telephone System Board (ETSB) and the Henry County ETSB to allow the Henry County ~~E9-1-1~~ System to answer ~~E9-1-1~~ calls for emergency assistance from six Bureau County residents of the Kewanee Exchange of the GTE Telephone Company.

The agreement provides for effective handling and routing of 9-1-1 emergency calls by permitting the calls to be routed to the **Henry** County PSAP, and then forwarded to Bureau County as follows:

Bureau County ESN #s 552 and 587

552

Police: Bureau County Sheriff
Fire: Neponset Fire Department
EMS: ~~Buda~~ Ambulance Service

587

Bureau County Sheriff
Kewanee Rural Fire Department
Kewanee Ambulance

There are approximately six (6) residences located in Bureau County that are within the Kewanee exchange of the GTE Telephone Co. If any of the six (6) residents requests emergency service through 9-1-1, for the convenience of the two systems, it is desirable that the **Henry** County PSAP take the request and then contact the Bureau County Sheriffs PSAP for dispatching the request. Either of the two methods listed below may be used:

The Henry County PSAP receiving the call for emergency services in Bureau County shall relay the call in the following manner:

Primary: 155.37 (Point to point radio)

Secondary: Telephone 1-815-875-3344
